Dear Mr. Parks.

As you requested I am sending you the following information.

Our work began March 17. 1915. And has continued increasingly until the present date. The amount of money expended is, to date, $94.315.18.

Will you please explain also that when our work began we received many contributions of wool for the material of which we did not, of course

require Okay - The Expenditure per Month is never the Same, but the Enquirer can average it for himself.

With Kindest Regards,

Faithfully Yours,

Annie P. H. Clark

Mrs. F. N. C. Starr,

112 Warren Road, Toronto.

Dear Mrs. Starr:

Owing to the new regulations of the Government requiring incorporation or authorisation by some incorporated body it was necessary as you know some time ago for the Governors of the University to become responsible for the work of the University Hospital Supply Association, otherwise this Association would have had to become a part of the Red Cross Organisation. One of the requirements that the Governors have to fulfil is to report as to the work and the finances. In these circumstances it is necessary for them to have an audit made of all expenditures. We wish to have the audit made at a time when it would be least inconvenient to you and to the work of the Association. Would it cause you any trouble if the audit were to be made in the months of July or August ?

With kind regards, I am,

Yours sincerely,

President.

Hon. Treas., MRS. F. N. G. STARR,

Sir Robert Falconer.
University of Toronto.
Dear Mr. President.

In reply to your letter of June 13th I would say that the U.H.S.A. books will be ready the first week of July and I shall have the books, files etc ready to you at that time. For my protection, I have had the books audited from time to time by Mr. Ernest A Campbell Recommended to me by Mr. L. S.

Laidlaw, Branch Manager of the Bank of Montreal.
This has cut the U.S.A. following, as Mr Slaw
has defrayed the expense. Mr Campbell will
therefore owe me my accounts until the end
of June & I shall be glad to turn them over
to the U. of T. auditors after that.
With kind regards, Faithfully Yours,
Anne C. M. Slaw
